Points to be Discussed :

1. Shri.Bablu Chandra Dey, was granted an amount of Rs.18,200./- for publication of his manuscript entitled “ Kayekjan Ganitbider Jioban Katha”. He declined to undertake the printing work as there was escalation in printing cost than the original estimate. However, he has approached CIIL once again saying he is in a position now to manage the printing with whatever assistance the Institute can provide.

In view of the fact that the default on the part of author was related mainly to ability to mobilised the funds to manage the difference between the amount of assistance, the case is being put up for reconseration and revival.

2. Shri.Raman Soni was granted an amount of Rs.28,600/- for publication of manuscript entitled “Samayik - Lekh - Suchi” in Gujarati langauge which he availed in full and published the manuscript in print. Now he has made an application for the Bulk Purchase of the same copies.

The policy for financial assistance for GIA does not allow financial assistance to the same work under two schemes whenever assistance is given for publication it is believed that the work in print will have both utility and marketiablty if the author -publisher is approaching for Bulk Purchase he is only shirking his responsibility of marketing his copies and trying to earn out of Government investments. Since this required a policy decision the Committe may deliberate on it.

3. Shri. Ananthanarasimhachar had submitted a manuscript entitled "Samaskara Mohodadhi" which secured favorable reports and recommended for assistance by all the three reviewers.

The content of the work is summarised to be elaborate description of the rituals related to the life cycle of the human beings as practiced in the ancient Hindi society. The meaning and relevance of the rituals have also been given. It is also purportedly a source work for research on Anthropological details of the ancient society in its cultural dimension.

In view of the fact this work missed a favorable consideration by the earlier committee the case is being brought before the **committee for reconsideration**.

4. An application for seeking financial assistance for Little Magazine entitled "Sanathana Sarathi" has been submitted by Wg. Cdr. AD Singh the Magazine is reportedly carrying information about the spiritual and social reformatory activities of Shree Sai Baba.

As widely accepted Shree Sai Baba is a cult head with a large following from various religions keeping their religious affiliation intact. In other words the Sai Baba forum neutralizes the component of religions.

The liability of assistance, if granted, would be Rs. 10,000/- a year and only for 3 years.

The committee may deliberate on this issue and decide and encourage a little magazine in a minority language.

5. We have received application from the Editor, 'Parikatha', P.O. South Goria, Dist.: South 24 Parganas, West Bengal - 743 613 seeking financial assistance under GIA - Little Magazine for the fourth time.

The rules of the Little Magazine Scheme say that the magazine approved for grant will be supported with a financial assistance for a period of **THREE CONSECUTIVE YEARS**.

The above mentioned magazine has been supported with financial assistance for **THREE TIMES OF DIFFERENT YEARS**. Now they have applied for fourth time grant. Consecutive or otherwise, grants have been allowed for three years. The committee may please deliberate on whether the application for grants for the fourth time and/or more number of times be allowed.

6. It has been the practice that the number of copies to be purchased in respect of Bulk Purchase of printed books and to be printed in case of manuscript granted assistance for printing is also decided by the committee while allowing financial assistance. The Institute has been receiving letters for review and appeals for reconsideration providing justifications and indicating the area utility of books under consideration. It has been difficult to take decision either to increase financial assistance/the number of copies in the absence of such a provision in the relevant rule.

It is proposed that the decision on the number of copies to be bought in case of bulk purchase and to be printed in case of manuscripts being allowed to be taken by the Director, CIIL keeping in view the utility of the book, the justification available and budget available for the purpose. It is also possible that some times the number of copies suggested by the committee may not exhaust the budget available or make the available budget insufficient. Therefore, the discretion vested with the Director will take care of this sensitive aspect also.

7. Dr. Sukhabilas Barma a book on “Bhawaiya: Ethnomusicological“ . This book is in English. It deals with most popular variety of folk songs of North Bengal and Goalpara in Assam. It also deals with language and culture of North Bengal in general. This book gives brief account of current trends in language, literature, culture and music of North Bengal. A brief review given by Dr. S. N. Barman, RRO, CIIL is attached for consideration of the Grant-in-Aid Committee.
8. The Editor “Odalala, Mysore was sanctioned Rs.10,000/- under GIA-LM for publication of Little Magazine. Ist instalment of Rs,5,000/- was released to them. They were supposed to give Utilization Certificate (UC) for utilizing Rs.5,000/-. In spite of the reminders nothing was heard from them. So the case was referred Central Government Standing Council for legal advise and further necessary action to obtain UC. A Police complaint was also lodged for misrepresenting, cheating and false assurance. A report from Police Inspector, Jayalakshmiapuram Branch, Mysore stating that they were unable to trace her, to this effect they have submitted a letter to us (which is in the file duly flaged `A`).

This case is placed before the Committee for waiving off the amount of grant given to The Editor `Odalala` as we are unable to trace her so that a reply to Audit Para can be arranged.

9. Promoting India’s regional literature in German – Speaking Europe :

Prof. Jose Punnampambal, representing the Indo-German Society, had expressed his concern for the preservation of regional paradise and standard as against those being set by the globalization for International living. A write-up about his project concept on “Promoting India’s regional literature in German - Speaking Europe” is presented herewith. The project proposes to bring out a library edition of quality translation of major contemporary works published in India’s ten important Indian languages, namely, Hindi, Urdu, Bengali, Marathi, Gujarati, Punjabi, Telugu, Tamil, Kannada and Malayalam to German. It also intends to further extend these translations into Italian, French, Spanish, Portuguese, Russian and Arabic. The main objective of effort is to take the regional literatures to European languages.

Considering the contributions by the European scholars - missionaries to the development of Grammar, Lexicon and Literature of the regional languages in India the project is highly relevant and meaningful. Taking the Indian literature across to many other European languages is presenting Indian Idioms and values to other European societies who are yet to be acquainted with this. The proposal indicates an expenditure of Rs.50 lakhs to bring out 20 volumes from the above said languages. It also promises the voluntary services of supporting institutions/organizations and individuals free of cost.

The GIA Committee may kindly deliberate and record the decision. It is suggested that the Institute may support the expenditure on remuneration to the translators, and either offer a joint publication grant, or buy certain number of copies under bulk purchase. The Director, CIIL, may be authorized to take this offer to further ends, and report at the next meeting of the GIA Committee.

10. **The GIA for Creative Writing :**

The CIIL has been working and encouraging works on creative writing through its **Centre for Creative Writing**. It will be highly appropriate to have some portion of GIA funds made available to this activity to support creative writing in Indian languages through financial assistance under GIA Scheme.

The GIA Committee may kindly deliberate and record the decision. A write-up of six pages on the above subject is attached.

Post – Facto Approval :

Points Discussed in the Committee :

1. Sri Bablu Chandra Dey's request **was accepted** to the extent of the amount already granted.
2. Sri Raman Soni's request was **not agreed** to by the Committee.
3. Sri Anantanarasimhachar's request for assistance to print entitled "Samskara Mahodhadi" was reconsidered and assistance for printing of 550 copies **was granted**.
4. Wg. Cdr. AD Singh's request for financial assistance for Little Magazine "Sanathana Sarathi" was **Not Recommended**.
5. The request from The Editor "Parikatha" seeking financial assistance for the fourth time was **agreed**.
6. The committee unanimously endorsed the proposal that the number of copies to be purchased under Bulk purchase scheme and to be printed under publication scheme be decided by the Director , CIIL. The committee also endorsed that the Director, CIIL may exercise his discretion in the selection of books and manuscripts for assistance in deserving cases.
7. The Sukhbilas Barma's book "Bhawaiya: Ethnomusicology" **was agreed to be given financial assistance**.
8. The Committee resolved that the requirement of Utilization Certificate and the related amount of Rs.5,000/- due from The Editor, "Odalala", Mysore **be waived off and the file be closed**.
9. The financial assistance to the Voluntary Organisation has so far been restricted to Rs.30,000/- . However, the committee deliberated elaborately on the proposal submitted by The Secretary, Chetna Samiti, Patna for an assistance of Rs.92,000/-. After examining the case carefully and in view of the objectives and accomplishments of the Samiti it is recommended that the assistance of Rs.92,000/- may be granted. It was also agreed that henceforth requests for higher amounts would be considered on the merits of the proposals.
10. While deliberating on this it is also resolved that in order to do justice to the deserving cases and also to achieve the objectives of the GIA , Director, CIIL may be vested with discretion to consider cases for assistance of more than Rs.30,000/- on individual merit, and especially the application for support for conferences (since such applications are time-bound) could be decided by the Director, and be brought as reporting items in the next meeting.
