Resolution : 1

The Committee has ratified the Minutes of the 30th GIAC Meeting and also ratified the action taken report.

AGENDA 2:**Proposals for enhancing the ceiling limits of grants under three GIA schemes keeping in view of the present cost of expenditure as detailed below:**

Proposal - A : (Bulk Purchase Scheme) : In the 28th GIAC Meeting, a decision was taken to limit the budget of the Bulk Purchase to 10% of the total amount for a particular language. This decision was taken to distribute the amount fairly to all languages. But in most of the languages this ceiling amount could not be reached even after wide publicity. Because of this decision, many proposals received in some languages have to be deferred to next meeting and could not be entertained. **Hence, it is proposed that the maximum amount of Rs.50,000/- be fixed for a book so as to accommodate maximum number of proposals. The number of copies to be purchased will be decided by the experts and that may vary from 100 to 200 books depending on the quality of the work.**

Resolution : 2.1

2.1.1. The Members of GIA Experts Committee agreed to remove the ceiling limits on bulk purchase as it was already scrutinized by the experts and copies are also recommended on the basis of the merit of the book.

2.1.2. However the members suggested that percentage of the budget for each language be calculated to understand the allotment of the budget for each language. A suitable decisions whether to increase the ceiling limit or not will be taken after studying the budget allocation for the language in which more proposals are received.

2.1.3. The expert suggested that wide publicity be given about the GIA scheme in all regional newspapers to attract more proposals.

2.1.4. The Kashmiri Expert requested to consider the books written in Devanagari Script and Perso-Arabic Script for Kashmir language for financial aid and the Committee agreed to the same.

Proposal - B : (Voluntary Organisation Scheme) : At present the GIA scheme supports the Voluntary Organisations to conduct Workshops/Seminars/Conference/Short term studies/teaching of languages with a ceiling limit of amount Rs.30,000/-. Keeping in view the present cost of expenditure in connection with conducting a workshop/seminar/conference etc., ***it is proposed that the ceiling limit of amount for this scheme may be enhanced to Rs.50,000/- so as to support the voluntary organizations who apply under this scheme for their workshops/seminars/conferences/short term studies/teaching of languages.***

Resolution : 2.2

2.2.1. The members agreed to enhance the grant to Voluntary Organisation to Rs.50,000/- only in the exceptional cases. As such the existing the ceiling of Rs.30,000/- will be followed.

2.2.2. All the Voluntary Organisations whose proposals were recommended by the GIA committee will be requested to register their organisation as suggested by the NITI Ayog before releasing the grants.

2.2.3. The members also suggested to form a panel of experts for each state and one of the members may be requested to participate in the programs approved by GIA committee conducted by the Voluntary Organisation for checking the genuineness of the execution of the proposal.

Proposal - C : (Publication Scheme) : At present the GIA scheme supports the authors, editors, translators etc., under this scheme with a ceiling amount of Rs.50,000/-. Keeping in view the present cost of expenditure for a publication of book, *it is proposed that the ceiling limit of amounts for this scheme may be enhanced to Rs.75,000/- so as to support the editors, translators, authors, recognized institutions etc. who apply under this scheme.*

Resolution : 2.3

2.3.1. The committee agreed to enhance the grants for publication to Rs.75,000/- keeping in view of the present cost of expenditure on publication of a book. The cost of expenditure will be calculated as per the revised NBT norms.

2.3.2. The grant of particular manuscript, if it is recommended by the committee, will be 60% of the NBT cost estimation or Rs.75,000/- whichever is less.

AGENDA 3:

Procurement of E-Rights: It is realized that in the present world of printing technology the Electronic Version of books are so much important and useful for a quick access/reference. *Hence, the GIA proposes to procure the E-RIGHTS of the books along with CD form and hard copy from the authors/editors/translators etc., with a view to possess them in a centralized storage and easy access/reference for the academic world.* The grants will be given to the authors only after getting e-rights from them. The e-materials will be used as a repository for Institute and for developing language technology tools. Necessary forms will be prepared for getting e-rights.

Resolution : 3

3.1. The committee in principle agreed to obtain the E-Rights of Book/Manuscripts for keeping them as repository of the respective language and also for developing language technology tools.

3.2. The E-version of the Books/Manuscripts that suits to the Bharatavani project will be uploaded in the Bharatavani portal.

3.3. A consent from the author will be obtained for using the digital version of the book as a corpus for LDC-IL project.

3.4. There was a brain storming discussion on getting E-Rights and its implications with regard to the sale of the book by the author/publisher. The members suggested that some nominal incentives be also given to the author for obtaining E-Rights.

3.5. The chairperson assured the GIA committee that this issue will be referred to the legal experts for taking a suitable decision.
